

To all my dear Year 4 students and parents:

We stay home... We stay safe!

Yet, we continue to learn!

Through these difficult times, we must keep up with our education, which is extremely important; perhaps, we can even engage with new learning experiences!

At the same time, I am sure you have found new ways to develop special interests and hobbies while staying at home!

Here, I have attached different links to songs and stories that we learned in class this year, which I think you will enjoy listening to.

I hope to see you soon,

your English teacher,

Mrs Margarita Michaeloudi
